SUBJECT: TERRORIST FINANCE -- RENEWING MANDATE OF 1267  
MONITORING TEAM (AL-QAIDA, TALIBAN)

REF: STATE 66897

¶1. (U) This message is Sensitive but Unclassified -- Please handle accordingly.

¶2. (SBU) SUMMARY: Drawing on reftel points, poloff urged Indonesian support for the draft resolution related to UNSCR 1267 concerning Al-Qaida and the Taliban. In comments echoed by other GOI officials, Mission contact said Indonesia would continue to review the draft resolution, but had some concerns about transparency and "due process" regarding what persons or entities deserve listing. END SUMMARY.

¶3. (SBU) On June 24, poloff met Aris Munandar, Deputy Director for Terrorism at the Department of Foreign Affairs (DEPLU). Poloff reviewed the draft resolution re UNSCR 1267 containing improvements to its sanctions regime and an extension in the mandate of the 1267 Monitoring Team. Poloff provided information on the proposed mandate renewal, and the USG's intention to work with Indonesia and other countries concerned with the listing and delisting process. Poloff urged the GOI to support the draft resolution.

¶4. (SBU) In comments echoed by other GOI officials, Munandar said the Indonesian government respected the work of the 1267 Committee but had problems with the listing process. He reiterated Indonesian concerns that the procedures involved were not transparent and lacked "due process" for the organizations and individuals proposed for listing. Further, Indonesia believed it was necessary to consider "humanitarian" aspects of the listings when deciding on next steps. Munandar said Indonesia had been discussing these concerns with other member-states, particularly from the European Union.

¶5. (SBU) Poloff stressed that the U.S. was committed to working with Indonesia to create a listing process that would make it easier for member countries to enforce in a

transparent, fair manner future listing and delistings.  
Munandar said the GOI understood this, and would continue to  
discuss the matter internally and in New York.
